Message to the Annual Report of S. Thomas' College Bandarawela Old Boys' Association

It gives me great joy to extend my greetings to all members of the S. Thomas' College, Bandarawela Old Boys' Association as you gather for your Annual General Meeting on 8th August 2026.

Over the years, your Association has demonstrated a commitment to the welfare and progress of the College. Your continued interest, generous support, and active engagement in the life of your alma mater are indeed commendable and appreciated.

I hope that your membership will continue to grow and that the Association will develop meaningful and engaging programmes that will encourage more past pupils to reconnect with the College and actively participate in its mission and development.

As you begin another year of service and fellowship, I pray that God will bless all your endeavours with wisdom, unity, and renewed purpose.

I wish you every success and God's richest blessings in the year ahead.

MESSAGE FROM THE PATRON / WARDEN

S. THOMAS' COLLEGE, MOUNT LAVINIA

It gives me immense pleasure to convey this message of greetings and solidarity to the Secretary, Executive Committee, and members of the S. Thomas' College, Bandarawela Old Boys' Association on the occasion of the Annual General Meeting.

S. Thomas' College, Bandarawela holds a special place within the Thomian family. The connection that we share and the bonds that make the four schools united, is what makes the Thomian Brand that much more powerful. Our schools have consistently nurtured young men of sound character, academic discipline, and unwavering integrity. With the help of our alumni associations, the schools must strive to continue to do better towards the future of our society.

This AGM carries additional significance as we commemorate the monumental 175th Anniversary of the founding of S. Thomas' College. This historic milestone is both a celebration of our enduring heritage since 1851 and a solemn reminder of our collective duty to safeguard the values that define us. The allegiance and enthusiasm shown by the alumni of STC Bandarawela continue to reflect the strength of our brotherhood across generations, ensuring that the Thomian spirit flourishes wherever our old boys may be.

I take this opportunity to express my heartfelt appreciation to the outgoing Secretary and Executive Committee. Thank you for your dedicated service, sacrifice, and stewardship over the past year. Your steadfast support has contributed meaningfully to the growth of the school and the vitality of the OBA.

To the incoming Committee, I extend my warmest congratulations and prayers for a successful year ahead. May you lead with vision, integrity, and unity as you build upon the legacy of those before you.

May Almighty God guide and bless S. Thomas' College, Bandarawela, her staff, students, and alumni.

Esto Perpetua - For all we have and are!

Warden, S. Thomas' College, Mount Lavinia

MESSAGE FROM THE HEADMASTER

S. THOMAS' COLLEGE, BANDARAWELA

It gives us immense pleasure to send this message to the souvenir magazine published in view of the 39th Annual General Meeting of the Old Boys' Association.

One of the greatest pleasures of teaching and serving in an institution such as S. Thomas' Collage has been the opportunity to meet a lot of really great students.

As students, some of you were impressive academically, some for your sense of humour, and others for your perseverance in the face of difficulties. I have been delighted with your successes.

Particularly in your contribution to your Alma mater which has been an essential part of the College tradition and the characteristic role played by the Old Boys' Association is in fact a perennial source of encouragement. We are honoured to have an Old Boys' Association that is passionate and hardworking which is a strength of tower to the management.

I take this opportunity to congratulate and extend my sincere appreciation to each and every one for their contribution to complete many undertaken projects and conducting very productive workshops and seminars for students.

Finally I thank the Old Boys' Association for all their efforts to make this occasion a success. The support extended by each and every one of you has been a source of strength and encouragement to achieve my objectives. May this Old Boys' reunion be an unforgettable day to all of you.

MESSAGE FROM THE HONORARY SECRETARY

S. THOMAS' COLLEGE MOUNT LAVINIA OBA

It gives me immense pleasure to extend my warmest greetings and congratulations to the President, Executive Committee, and all members of the S. Thomas' College Bandarawela Old Boys' Association on the occasion of your 39th Annual General Meeting and the publication of your Annual Report 2025/26.

As Thomians, we are united not merely by the schools we attended, but by the enduring values instilled in us—integrity, humility, service, fellowship, and an unwavering commitment to excellence. Though our campuses may be separated by distance, our hearts remain bound together by the same Thomian spirit and traditions that have shaped generations of leaders and gentlemen.

Over the years, the Thomians of Bandarawela have consistently made all of us proud through your achievements, dedication, and unwavering commitment to preserving and enhancing the proud legacy of S. Thomas' College Bandarawela. Your efforts in strengthening your Association, fostering fellowship among old boys, supporting your alma mater, and serving your community stand as an inspiration to all Thomians across the country. Your successes are not yours alone—they are victories for the entire Thomian family.

Today, more than ever, we must recognise that the strength of Thomianism lies in our unity. When Thomians work together, support one another, and share a common purpose, there is no limit to what we can achieve. Our individual Associations may have different identities and traditions, but together we form one brotherhood, driven by a shared responsibility to uphold the values of our founders and to leave an even stronger legacy for future generations.

Let us continue to build bridges between our Associations, celebrate each other's successes, exchange ideas, and work collaboratively in the true spirit of comradeship. Together, we can create greater opportunities for our schools, our old boys, and the communities we serve. United, we become stronger; together, we ensure that the Thomian name continues to command respect and admiration wherever it is heard.

On behalf of the Executive Committee and the membership of the S. Thomas' College Mount Lavinia Old Boys' Association, I extend my sincere appreciation to the dedicated office bearers, committee members, and every member of the STCB OBA for your tireless service and commitment. May your Association continue to grow from strength to strength, guided by the same passion and brotherhood that has brought you this far.

I wish your 39th Annual General Meeting every success and pray that Almighty God continues to bless S. Thomas' College Bandarawela, its Old Boys' Association, and every Thomian, today and always.

MESSAGE FROM THE OLD BOYS' UNION OF S. THOMAS' PREPARATORY SCHOOL, KOLLUPITIYA

It is my pleasure to submit a message on behalf of the Old Boys' Union of S. Thomas' Preparatory School, Kollupitiya on the occasion of the 39th Annual General Meeting of the Old Boys' Association of S. Thomas' College, Bandarawela.

S. Thomas' Preparatory School, Kollupitiya and S. Thomas' College, Bandarawela, both founded by eminent educationalist W. T. Keble, have a shared legacy and heritage. As representatives of the alumni of our respective schools, the Old Boys' Union of S. Thomas' Preparatory School, Kollupitiya and the Old Boys' Association of S. Thomas' College, Bandarawela owe not only a duty to our *alma mater*, but also a duty to preserve the camaraderie and collegiality between the alumni of our Schools.

I take this opportunity to thank Vinoth and the members of the outgoing Executive Committee of the Old Boys' Association of S. Thomas' College, Bandarawela for the support they have extended and the spirit of cooperation with which they have worked with the Old Boys' Union of S. Thomas' Preparatory School, Kollupitiya. The past few years have witnessed close interaction between the alumni and alumni associations of our schools, and I look forward to strengthening these bonds with

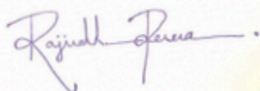

the incoming Executive Committee, to whom I send warm wishes on their appointment.

This Annual General Meeting comes at a time when there are new challenges to the model of educational instruction and traditions which we share. Although still referred to as 'Branch Schools', both S. Thomas' Preparatory School, Kollupitiya and S. Thomas' College, Bandarawela now fully fledged schools in their own right, with unique identities and challenges of their own. While the solutions to these challenges will require different approaches, direct representation at the level at which decisions affecting our schools are made, will greatly assist the Old Boys' Union of S. Thomas' Preparatory School, Kollupitiya and the Old Boys' Association of S. Thomas' College, Bandarawela to carry out their mandate more effectively. I trust that we can continue the work which has already commenced in this regard.

I hope the proceedings of the Annual General Meeting further the interests of S. Thomas' College, Bandarawela. If weather permits you can be sure that some 'Prepites' will join you for the Headmaster's Lunch and join you on the dance floor at "The Way We Were - 2026".

Yours in service of furthering our common heritage.

Sincerely,

Rajindh PERERA

MESSAGE FROM THE HONORARY SECRETARY

S. THOMAS' COLLEGE, GURUTHALAWA OBA

It is a great pleasure to extend my warm greetings to the members of the Old Boys' Association of S. Thomas' College, Bandarawela, on the occasion of the 39th Annual General Meeting and the publication of the Annual Report 2025/26.

I commend the Executive Committee and all members of the Association for their unwavering commitment to sustaining the proud traditions and values of S. Thomas' College, Bandarawela. The dedication demonstrated through the Association's various initiatives and programs continues to strengthen the bond among Thomians while making a meaningful contribution to the advancement of our alma mater.

The achievements highlighted in this Annual Report are a testament to the collective effort, generosity, and spirit of service demonstrated by the members throughout the year. Such commitment ensures that future generations of students benefit from the strong foundation established by those who came before them.

As you gather for this important occasion, I extend my sincere appreciation to everyone who has contributed to the success of the Association and wish every success and look forward to seeing continuous growth in strength and purpose in the years ahead.

With best wishes,

Hansaka Weerasingha
Hony. Secretary

MESSAGE FROM THE OBA REPRESENTATIVE TO THE BOG

Message for the 39th Annual General Meeting

S. Thomas' College, Bandarawela Old Boys' Association — 8 August 2026

It gives me great pleasure, as the Alumni Representative to the Board of Governors of S. Thomas' College, Bandarawela, to extend my warm greetings and best wishes to the S. Thomas' College, Bandarawela Old Boys' Association on the occasion of its 39th Annual General Meeting.

The Old Boys' Association has always stood as a strong and loyal partner in the life and progress of the college community. Its continued commitment is a fine expression of the gratitude, affection, and responsibility that old boys carry towards their alma mater. Through this spirit of service, the Association has helped keep the Thomian bond alive across generations.

On behalf of the Board of Governors, I wish to place on record our sincere appreciation for the constant support extended by the Old Boys' Association, particularly in the field of sports. Your encouragement of young Thomians, your contribution to strengthening sporting facilities, and your generous funding towards the construction of the new sports pavilion are deeply valued. These efforts will not only benefit present students but will also stand as a lasting investment in the future of the College.

The support given by the Old Boys' Association is more than financial assistance; it is a visible reminder of loyalty, fellowship, and pride in S. Thomas' College, Bandarawela. It demonstrates that the lessons learned within the walls of the College continue to inspire service, generosity, and commitment long after school days have passed.

As you gather for this Annual General Meeting, I extend my best wishes for fruitful deliberations and renewed strength in all your future endeavors. May the Association continue to grow in unity and purpose, and may its work further enrich the life of our beloved College community.

Dear Fellow Thomians,

As I present this Annual Report and conclude my fifth consecutive year as Honorary Secretary of the S. Thomas' College, Bandarawela Old Boys' Association (STCB OBA), I do so with a profound sense of gratitude, pride, and optimism for the future.

The year under review has demonstrated what can be achieved when individuals unite behind a common purpose. Throughout the year, we witnessed Old Thomians from different generations, professions, and parts of the world coming together to support our alma mater, our students, and one another. Whether through fellowship, sports development, student welfare, environmental sustainability, community service, or institutional development, every initiative carried the same underlying message—that the strength of our College lies not in any one individual, but in our collective commitment to a cause greater than ourselves.

Among the highlights of the year were the continued success of our fellowship events. The Way We Were (TWWW) 2025 became the first sold-out fellowship event in the history of the STCB OBA, while Glimmer of the Hills followed as our second consecutive sold-out event. These occasions were far more than social gatherings; they reconnected generations of Old Thomians, strengthened friendships, and reinforced the sense of belonging that defines our fraternity.

Our commitment to future generations remained equally strong. Through the implementation of the College Sports Strategic Plan, continued support for Rugby, Table Tennis, Cricket, Basketball, Soccer, and Badminton, and the recognition of our championship-winning Rugby and Table Tennis teams, we continued investing in the development of young Thomians. The support extended to students through the Thomian Alumni of California Bursary Programme, the Climate Inc. Green Schools Initiative, and numerous welfare and development projects reflects our belief that the true measure of our success lies in the opportunities we create for those who follow us.

One of the most encouraging developments during the year was the strengthening of our relationships with our brother schools. Our participation in the Joint Thomian Emergency Relief Initiative following Cyclone Ditwah, the Thomian Saddlebreds Initiative, the Royal–Thomian Big Match, The Amazing Race, and numerous engagements with the Old Boys' Associations and Old Boys' Union of S. Thomas' College Mount Lavinia, S. Thomas' College Gurutalawa, and S. Thomas' Preparatory School demonstrated that the bonds within the Thomian family are stronger than ever before. These collaborations remind us that while we proudly represent Bandarawela, we are also part of a much larger fraternity united by shared values, traditions, and purpose.

The year also witnessed progress on initiatives that have been years in the making. Seeing the commencement of the Pavilion Project, which was originally conceptualised and initiated by the STCB OBA in 2020, was particularly rewarding. It serves as a reminder that meaningful change often requires patience, perseverance, and a willingness to work towards outcomes that may take years to materialise.

As I hand over the baton after five years as Honorary Secretary, I do so with confidence in the future of the STCB OBA. No organisation can thrive on the efforts of a few alone. Our achievements have been made possible through the dedication of our Executive Committee, Sub-Committees, Past Presidents, Past Secretaries, donors, volunteers, overseas alumni, and countless Old Thomians who continue to give back to the College in their own way.

Throughout my tenure, I have been guided by the principles that define the Thomian spirit –tradition, honesty, integrity, accountability, service, and camaraderie. These values have sustained our Association through challenges, inspired our successes, and will continue to guide future generations of leaders.

To my fellow Old Thomians, I leave with a simple message: let us continue to look beyond our individual batches, interests, and differences, and work together for the greater good of our College. The legacy we leave behind will not be measured by the positions we held, but by the opportunities we created and the lives we touched.

Thank you for the trust, support, friendship, and privilege of serving as the Honorary Secretary over the past five years. It has been one of the greatest honours of my life.

The future is not built by those who wait for change. It is built by those who come together, uphold their values, and have the courage to create it.

Time	10.30 A.M. - 11.45 A.M.
Venue	Keble Memorial Hall, S. Thomas' College, Bandarawela

The meeting was called to order after a brief welcome speech by the Headmaster, Mr. Palitha Navaratne.

The Secretary, Mr. Winoth Lakshan, read the Agenda, Notes of Excuses and Obituaries after the meeting was called to order by the Headmaster.

❖ Notes of Excuses

1. Dr. Vudyananda Sellaheva
2. Mr. Rumi Reyal
3. Mr. Roshan Tissera
5. Ms. Angela Seneviratne
6. Mr. Andrew Heselgrave
7. Mr. Bandula Vithanage
8. Mr. Cryshantha Jayawardhana - Representative BoG

❖ Obituaries

A period of 2 minutes of silence was observed as a customary mark of respect.

Refer to the Annual Report 2024/25 for the list of obituaries.

❖ Headmaster's Report

The headmaster's report was presented by Mr. Palitha Navaratne at the AGM. It illustrated college events, improvements in facilities, and achievements in education and sports over the past 12 months since August 2024.

The headmaster expressed his heartfelt gratitude to the OBA, acknowledging the unwavering dedication and meaningful contributions made throughout the administrative year.

❖ **Presentation and Adoption of the Minutes of the 37th Annual General Meeting held on August 10, 2024**

The minutes were uploaded to the OBA web with the Annual Report 2024/25 and circulated via email as well.

Mr. Ganeshan Parinathan proposed that the minutes were in order, and Mr. Amalrajah Jayaseelan seconded the same. Upon their confirmation, the meeting minutes were adopted.

❖ **Annual Report by the Honorary Secretary for the Period 2024/2025**

The Secretary has made available the Annual Report 2025/2026 on the OBA website.

The Secretary gave a brief presentation of the activities carried out during the year, focusing mainly on the key highlights of the year.

❖ **Presentation and Adoption of the Annual Accounts**

The Annual Accounts for the year ending 31st March 2025 were included in the Annual Report 2024/2025.

Mr. Ganeshan Parinathan proposed that the annual accounts are in order, and Mr. Kesara Ranawaka seconded the same.

❖ **Appointment of Auditors**

Mr. Ganeshan Parinathan proposed that the OBA could retain the same auditor (S M Y K Associates) as in the previous year, and Mr. Amalrajah Jayaseelan seconded the proposal.

❖ **Election of Executive Committee Office Bearers for 2025/2026 as per Section 6 of the STCB OBA Constitution**

The list of members nominated, proposed, and seconded for the EXCO 2025/26 was tabled (refer to Annexe 2). He also sought any objections from the house, noting that no formal objections had been received within the designated time period.

As there were no objections, all nominations that were properly submitted were accepted, and the respective members were duly elected. However, it was noted that one nomination was rejected, as indicated in the list.

The Secretary further emphasised that two key positions remain vacant, which can be filled at the AGM. He reminded the assembly of the need to nominate individuals who are committed, dedicated, and capable of making meaningful contributions to the OBA's initiatives.

Mr. Sasanka Basnayake proposed Mr. Miyuru Perera's name for the position of Assistant Treasurer, and Mr. Lakshman Wijesiri seconded the proposal.

There were no nominations submitted for the following vacancies,

1.	Honorary Assistant Secretary	One (01) Vacancy
2.	Committee Member Age Group 60+	One (01) Vacancy
3.	Committee Member Age Group 51-60	Five (05) Vacancies
4.	Committee Member Age Group 41-50	Two (02) Vacancies
5.	Committee Member Age Group 31-40	One (01) Vacancy
6.	Committee Member Age Group 19-30	One (01) Vacancy

As per the constitution, the above vacancies will be filled at the 1st EXCO meeting of the 2025/26 administrative year.

❖ **Election of Trustees to the Board of Trustees of STCB OBA Endowment Trust Fund for 2024/2025 as per Section 2 of the STCB OBA STCB OBA ETF Trust Deed.**

No nominations were received.

Mr. Jeevaka Muthukuda proposed Mr. Amalrajah Jayaseelan's name for the position of Trustee No. 05 of the STCB OBA ETF, and Mr. Venura Dissanayke seconded the proposal.

The list of members nominated, proposed, and seconded for the Board of Trustees 2024/25 of the STCB OBA ETF was presented (refer to Annexe 2). The nominated members were duly elected.

❖ **Proposals Submitted by the Members**

The members submitted no proposals. However, the Secretary proposed a minor adjustment to the Constitution in light of the current context, where the presiding head is an Acting Warden and not the Warden of S. Thomas' College, Mt. Lavinia. As per the existing Constitution of the STCB OBA, the Patron of the Association is defined as follows:

Section 4 – Patron & President of the Association

"Patron of the OBA shall be the Warden, S. Thomas' College, Mt. Lavinia, by virtue of his office."

The Secretary highlighted the need to amend this clause to accommodate situations where an Acting Warden is appointed.

Proposed Amendment:

"Patron of the OBA shall be the Warden/ Acting Warden, S. Thomas' College, Mt. Lavinia, by virtue of his office."

The house unanimously agreed that this adjustment would ensure continuity and alignment with the current context, while preserving the spirit of the Constitution.

❖ **Any Other Business**

● **Contributions to the STCB OBA Endowment Trust Fund**

Mr. Ganeshan Parinathan of the 1980 O/L B Batch made an exceptional contribution of Rs. 2 million to the STCB OBA Endowment Trust Fund. The donation was presented on behalf of the batch by Mr. Parinathan, and the house expressed its sincere gratitude for this generous gesture towards strengthening the long-term financial stability of the OBA.

In addition, Mr. Jayaseelan pledged a contribution of LKR. 100,000.00 to the Trust Fund, for which the house also extended its appreciation.

- **Concerns on Discipline**

Mr. Jeevaka Muthukuda raised concerns regarding the deteriorating levels of student discipline. He specifically highlighted issues related to the use of drugs, drugs being brought into the school premises, as well as the presence of vape devices.

The Headmaster acknowledged these concerns and explained the measures currently being taken:

- School bags are being checked regularly.
- A workshop was conducted by the Police at the College, focusing on the harms of drug use and the related legal implications.
- Disciplinary action has been taken, including the suspension of certain students; however, in some cases, parents have requested that the suspended students be readmitted.

Mr. Ganeshan Parinathan stressed that strict action must be taken in such cases and cautioned that if decisions are changed due to parental requests, the standards of discipline within the College will be severely undermined.

- **Small Pavilion Project**

The Secretary informed the house that the plan for the Small Pavilion, along with some suggested refurbishment to the Upper Pavilion, has been drafted by an architect who is an alumnus of the college.

The Secretary stated that this plan will be presented to the Board of Governors (BoG) in collaboration with the Headmaster, with the aim of securing approval at an upcoming BoG meeting.

Mr. Jeevaka Muthukuda suggested that it would be ideal to consider including a scoreboard in the plan.

- **Upcoming 50th Anniversary Celebrations of the STCB OBA**

The Secretary informed the gathering that the STCB OBA will be celebrating its 50th Anniversary in the year 2027, which marks a significant milestone in the history of the Association. He emphasized the importance of commencing preparations early in order to plan and execute a meaningful and memorable celebration.

It was further noted that the matter will be taken up for detailed discussion at the 1st Executive Committee (EXCO) Meeting of the year. A working committee will be proposed at that stage, and once appointed, the committee will be tasked with preparing a comprehensive plan for the 50th Anniversary celebrations.

- **Concerns on Project Updates and Utilisation of Resources**

Mr. Kesara Rawaka raised a concern noting that the OBA has successfully completed numerous projects in recent years with a strong focus on sports development, such as the establishment of the gymnasium, refurbishment of the basketball court, organisation of coaching camps, and the donation of a cricket bowling machine, among others. However, he highlighted that the OBA does not receive timely updates from the College on the status and utilisation of these initiatives.

In particular, he drew attention to the cricket bowling machine, which was donated at the previous year's AGM but has still not been put into use.

In response, the Headmaster acknowledged the concern and explained that he has already instructed the Prefect of Games to keep all relevant parties informed, though this has not been consistently implemented. He further clarified that the cricket bowling machine has not yet been utilised as the construction of the gabion wall has restricted the use of the side wickets, making it impractical to operate the machine at present.

- **Proposed Gate Project**

Mr. Gayan Wijesinghe inquired about the status of the proposed gate project and whether it could be moved forward.

In response, the Headmaster stated that the project can be considered once the construction of the gabion wall is completed, as this forms a prerequisite to proceeding with the gate development.

- **Proposal to Recognise Late Mr. Shawn Shiek**

Mr. Akila Ellawala proposed that the OBA recognise the dedication, commitment, hard work, and contributions of the late Mr. Shawn Shiek by naming the annual badminton encounter between S. Thomas' College, Bandarawela and S. Thomas' College, Mount Lavinia in his honour.

It was agreed that this shall be pursued after obtaining consent from the family of late Mr. Shawn Shiek and formal approval from the Headmaster of STC Bandarawela and the Acting Warden of STC Mount Lavinia.

❖ **Vote of Thanks**

Mr. Winoth Lakshan delivered the vote of thanks.

The 38th AGM was concluded at 11:55 A.M. after singing the College song.

Honorary Secretary.

PROJECTS & EVENTS

- **Strengthening the Endowment Trust Fund through Alumni Philanthropy**

A significant milestone in the STCB OBA efforts to ensure long-term financial sustainability was achieved during the 38th Annual General Meeting, held on 09 August 2025. Demonstrating an exemplary commitment to the continued development of the College and its alumni community, the 1980 O/L B Batch made a generous contribution of LKR 2,000,000 to the STCB OBA Endowment Trust Fund.

The donation was formally presented by Mr. Ganeshan Parinathan on behalf of the batch, reflecting the collective gratitude and enduring attachment of its members to their alma mater. This substantial contribution exemplifies the spirit of philanthropy, stewardship, and lifelong commitment that lies at the heart of the Thomian tradition.

The contribution significantly strengthened the capital base of the Endowment Trust Fund, which serves as a strategic financial mechanism to support the long-term objectives of the Association and the College. By investing in a sustainable funding model, the 1980 O/L B Batch has helped create a lasting legacy that will continue to benefit future generations of Thomians.

Beyond its monetary value, this gesture serves as an inspiring example of alumni leadership and collective responsibility. It reinforces the importance of alumni participation in safeguarding the future of the institution while encouraging other batches and individual members to contribute towards building a stronger and more resilient alumni community.

STCB OBA records its profound appreciation to the members of the 1980 O/L B Batch for their vision, generosity, and unwavering dedication to preserving the heritage and advancing the future of S. Thomas' College, Bandarawela.

- **The Way We Were (TWWW) 2025 – Annual Fellowship Dinner**

Following the conclusion of the Annual General Meeting, the Old Boys' Association hosted its flagship fellowship event, The Way We Were (TWWW) 2025, on 09 August 2025 at the Tennis Club, Bandarawela. Introduced as a rebranded and revitalised fellowship initiative, TWWW was conceived as the Association's signature annual gathering, aimed at strengthening alumni engagement, fostering intergenerational connections, and celebrating the enduring Thomian spirit.

The event successfully brought together Old Boys from multiple generations and vintages, creating a vibrant platform for networking, reminiscing, and renewing lifelong friendships forged at S. Thomas' College, Bandarawela. A notable milestone was the participation of members of the Little Flower Convent Old Girls' Association for the first time, further enhancing the spirit of fellowship and community partnership.

TWWW 2025 achieved a significant landmark as the first fully sold-out fellowship event organised by the STCB OBA, demonstrating strong alumni interest, effective event planning, and the growing relevance of the Association's engagement initiatives. The overwhelming response reflected the success of the rebranding effort and the demand for meaningful opportunities for alumni to reconnect with one another and with their alma mater.

Beyond attendance figures, the event strengthened alumni unity, enhanced stakeholder engagement, and reinforced the Association's commitment to creating sustainable platforms for fellowship and networking. The success of TWWW 2025 established a strong foundation for its continuation as the OBA's premier annual social event and contributed directly to the strategic objective of increasing alumni participation, engagement, and institutional pride.

- **Inter-Batch Annual Cricket Sixes 2025 – *Buddhika Kurukularatne Challenge Trophy***

The Old Boys' Association initiated arrangements for the Inter-Batch Annual Cricket Sixes Tournament 2025 – Buddhika Kurukularatne Challenge Trophy, a key fellowship event aimed at strengthening alumni engagement, promoting inter-batch interaction, and fostering the spirit of sportsmanship among Old Thomians.

Significant progress was made during the planning phase, including team registrations, venue coordination, sponsorship discussions, promotional activities, and logistical preparations. The tournament generated considerable enthusiasm among alumni, with strong interest and anticipated participation from multiple batches.

However, as preparations were nearing completion, the country was affected by adverse weather conditions and humanitarian challenges arising from Cyclone Ditwah. In consideration of the safety and well-being of participants and the wider community, the Executive Committee made the decision to cancel the event.

Although the tournament could not be held, the planning process demonstrated the continued commitment of alumni towards Association activities and reaffirmed the value of sports-based initiatives in strengthening fellowship and engagement. The experience also highlighted the importance of effective contingency planning and risk management in organising large-scale outdoor events.

- **Joint Thomian Emergency Relief Initiative – Cyclone Ditwah Response**

In response to the devastating impact of Cyclone Ditwah, the Old Boys' Associations of S. Thomas' College Mount Lavinia, S. Thomas' College Bandarawela, and the Old Boys' Union of S. Thomas' Preparatory School and S. Thomas' College Gurutalawa united for the first time to launch the Joint Thomian Emergency Relief Initiative. This landmark collaboration mobilised the wider Thomian fraternity, local chapters, and overseas alumni networks to provide urgent humanitarian assistance to affected communities.

The initiative successfully collected both financial and in-kind donations, enabling the implementation of a multi-phased relief programme. During the second phase, conducted in partnership with the Ironman 4x4 Community Emergency Relief Team (ICERT), relief assistance valued at approximately LKR 400,000 was distributed to over 100 affected families in the severely impacted areas of Illukkumbura, Puwakpitiya, Pottawala, Rattota, Bambarakiriella, Bambaragala, and Welangahawatta.

A significant achievement of the initiative was reaching Pottawala Village, which had not previously received assistance from any relief organisation following the disaster. The relief mission was led by representatives of the participating Thomian associations, demonstrating the collective commitment of the Thomian community to serving those in need.

The programme concluded with a third phase focusing on the donation of educational stationery and essential school supplies to affected schoolchildren, supporting their return to education and helping communities recover from the disaster.

- **Third Follow-Up Review Meeting – College Sports Strategic Plan**

As part of the continuous implementation and monitoring of the College Sports Strategic Plan initiated in 2023, the Old Boys' Association facilitated the Third Follow-Up Review Meeting on 01 November 2025. The session focused on reviewing progress, evaluating outcomes, and strengthening the strategic direction of the College's priority sports programmes.

The Strategic Plan currently focuses on the development and advancement of six key sports disciplines: Cricket, Rugby, Badminton, Table Tennis, and Basketball. The meeting brought together Sport Directors, Coaches, Masters-in-Charge (MICs), and key stakeholders to assess the progress of each sport against the objectives identified under the strategic framework.

The discussions included a review of action points from previous strategy meetings, achievements recorded since the implementation of the plan, existing challenges, and opportunities for further improvement. Key areas of focus included performance trends, player development pathways, bench strength, succession planning, injury prevention, psychological preparation, equipment requirements, and effective coordination among stakeholders.

Following the group session, individual one-on-one discussions were conducted between each Sport Director and the respective Coach and MIC to align short-term and long-term objectives. These discussions focused on establishing clear goals for the next 6 months, 1 year, 3 years, and 5 years, ensuring a structured pathway towards sustainable sporting excellence.

The meeting reinforced the Association's commitment to adopting a strategic, data-driven, and collaborative approach to developing the College's sporting culture and maintaining continuous improvement across priority sports.

- **Felicitation Ceremony for the Under-19 Rugby and Table Tennis Teams**

On 01 November 2025, the Old Boys' Association hosted a special Felicitation and Fellowship Dinner at the Bandarawela Hotel to honour the outstanding achievements of the College's Under-19 Rugby Team and Under-19 Table Tennis Team, recognising their dedication, perseverance, and success at the national level.

The event celebrated the Under-19 Table Tennis Team for emerging as Champions of the All-Island Schools Table Tennis Team Championship 2025 – C Division, a remarkable achievement that secured the team's promotion to the B Division. This accomplishment reflected the effectiveness of the development initiatives implemented under the College Sports Strategic Plan and highlighted the growing strength of the Table Tennis programme.

The Under-19 Rugby Team was recognized for winning the Division 2 Plate Championship in the Dialog All Island Schools Rugby League 2025. Their achievement demonstrated resilience, teamwork, and determination throughout the season while reinforcing the College's growing reputation in school rugby.

The felicitation ceremony provided an opportunity to acknowledge the contributions of players, coaches, Masters-in-Charge, parents, and supporters who played a vital role in these successes. The event also strengthened the connection between the alumni and current students, inspiring future generations to strive for excellence both on and off the field.

- **New Pavilion Development Project – From Vision to Reality**

The development of a new pavilion at the College grounds reached a significant milestone with the laying and blessing of the foundation stone on 20 February 2026 by Ven. Fr. Christopher Balraj, Archdeacon of Colombo and former Headmaster of the College.

This project holds special significance for the Old Boys' Association as the concept was originally initiated by the Association in 2020. Recognising the historical and symbolic importance of the existing small pavilion—one of the College's most iconic structures—the OBA commenced discussions with the College administration to explore the development of a modern facility that would preserve the legacy of the original structure while meeting future needs. Following extensive consultations with the then Headmaster, Ven. Fr. Christopher Balraj, preliminary concepts and drawings were developed and subsequently presented to the membership at the 2020 Annual General Meeting.

Despite the strong enthusiasm surrounding the initiative, the economic and operational challenges that emerged during the post-COVID period prevented the project from progressing as originally envisioned. Nevertheless, the groundwork laid during the initial planning stages provided a valuable foundation for future development.

The OBA is pleased to note that the College has now taken the project forward and commenced implementation. While the project has evolved over time, it is encouraging to witness the realisation of an initiative that originated through the vision and advocacy of the Old Boys' Association. The commencement of construction represents an important step in enhancing the College's infrastructure and preserving a key element of its sporting and cultural heritage.

- **Glimmer of the Hills – An Evening of Music, Fellowship, and Thomian Spirit**

The Old Boys' Association successfully organised Glimmer of the Hills, a unique fellowship event that brought together alumni, friends, and supporters for an evening of music, entertainment, and camaraderie. Held at the elegant setting of the Cinnamon Grand, the event featured a live sing-along performance by BLACK, with renowned compere Faizal Bongso guiding the evening's programme.

Designed as a platform to strengthen alumni engagement beyond traditional gatherings, the event provided an opportunity for participants to reconnect, celebrate shared memories, and foster new friendships in a vibrant and relaxed atmosphere. The combination of live music, fellowship, and shared heritage created an experience that resonated strongly with attendees from across multiple generations of Old Thomians.

A notable achievement of the event was that it became the second consecutive sold-out event organised by the OBA during the year under review. The overwhelming response from alumni and supporters reflected the growing strength of the Association's engagement initiatives and the continued demand for high-quality fellowship opportunities. The success of Glimmer of the Hills further demonstrated the OBA's ability to conceptualise and deliver innovative events that appeal to a broad cross-section of its membership.

- **Thomian Alumni of California (TAC) Bursary Award in Honour of Late Ananda Niyarepola**

During the year under review, the Old Boys' Association facilitated the implementation of a generous educational bursary programme offered by the Thomian Alumni of California (TAC) in honour of the late Ananda Niyarepola. The initiative was designed to support deserving students entering Grade 12 in 2026, providing financial assistance towards their education during the two-year period leading up to the G.C.E. Advanced Level Examination in 2028.

Following a request from TAC, the College and the Old Boys' Association worked collaboratively to identify suitable candidates based on academic potential, commitment to their studies, and their ability to bring honour and distinction to the College in the future. After a careful selection process, two deserving students were nominated by the Headmaster and subsequently awarded the bursary.

The programme will cover a substantial portion of the students' school-related expenses throughout their Advanced Level studies, thereby easing the financial burden on their families and enabling them to focus on achieving their academic goals. Beyond its financial value, the bursary serves as an investment in the future of the College by empowering talented students to maximise their potential and contribute positively to society.

The STCB OBA expresses its sincere appreciation to the Thomian Alumni of California, its President Dr. Amila Silva, and the donor community for their continued commitment to supporting the educational aspirations of young Thomians.

- **Support for the Under-19 Rugby Team**

During the 2025 Rugby Season, the Bandarawela Sub-Committee of the STCB OBA undertook a player welfare initiative by providing refreshments to the Under-19 Rugby Team following each training session throughout the season.

Recognizing the physical demands placed on student athletes during training and competition, the initiative was implemented to support player nutrition, recovery, and overall well-being. The provision of refreshments ensured that players received essential post-training sustenance, contributing to their preparation and performance during the season.

This initiative formed part of the STCB OBA's broader commitment to supporting student sports development and creating an enabling environment for young athletes to excel. Beyond the direct nutritional benefits, the programme also served as a demonstration of the continued support and encouragement extended by Old Thomians towards current students representing the College.

The STCB OBA acknowledges the efforts of the Bandarawela Sub-Committee for coordinating and sustaining this initiative throughout the rugby season, thereby contributing to the welfare and morale of the players.

• Campus Beautification Initiative – Cypress Tree Planting Programme

As part of the STCB OBA's commitment to enhancing and preserving the beauty of the College environment, a Cypress Tree Planting Programme was carried out during the visit of a group of Old Thomians from the Class of XXX. The initiative aimed to contribute to the long-term beautification and environmental sustainability of the College premises while creating a lasting legacy for future generations of students.

The programme was spearheaded by the Bandarawela Sub-Committee of the STCB OBA, which coordinated the planning and implementation of the activity in collaboration with the visiting alumni. The planting of the cypress trees not only enhanced the aesthetic appeal of the College grounds but also reinforced the enduring bond between Old Thomians and their alma mater through a meaningful contribution to the College environment.

The STCB OBA records its sincere appreciation to Mr. Waruna Wijekoon (Class of 2001) for his generous donation of the trees, which made this initiative possible. His contribution reflects the continued commitment of Old Thomians towards the development, preservation, and beautification of the College.

This initiative demonstrates how alumni contributions, both large and small, can create a lasting impact on the College community while fostering a sense of ownership and pride among past pupils.

- **Climate Inc. Green Schools Initiative**

The STCB OBA is pleased to highlight the commencement of the Climate Inc. Green Schools Initiative at S. Thomas' College, Bandarawela, a significant step towards promoting climate resilience, environmental awareness, and scientific learning within the College community.

S. Thomas' College, Bandarawela was selected as the pilot Green School under this initiative, which officially commenced on 09 March 2026. The programme is designed to establish a student-led environmental governance framework through the formation of a Green School Committee, enabling students to actively participate in climate research, sustainability initiatives, and nature-based solutions.

As part of the project, Climate Inc. provided the College with an air quality monitoring device with an online data monitoring dashboard, 60 square feet of moss air filter panels, and native species saplings for a three-acre reforestation programme. These resources will enable students to engage in data-driven environmental research, biodiversity monitoring, and practical climate action.

The initiative aims to develop student capacity in environmental research, promote nature-based solutions for air quality improvement, establish a native species restoration site, and create greater awareness of climate resilience within and beyond the College community. The long-term vision includes establishing an environmental management system, developing student research capabilities, reducing the College's carbon footprint, and working towards achieving institutional carbon neutrality.

The STCB OBA extends its sincere appreciation to Mr. Asel Pandigama (Class of 2017) for his vision, commitment, and efforts in initiating this valuable project for his alma mater. His contribution reflects the continued commitment of Old Thomians towards creating meaningful and sustainable initiatives that benefit future generations.

INTER-THOMIAN ENGAGEMENT & REPRESENTATION

- **Participation in The Amazing Race 2026**

The STCB OBA participated in The Amazing Race 2026, organised by the S. Thomas' College, Mount Lavinia Old Boys' Association, on 24 January 2026. Inspired by the internationally acclaimed adventure race format, the event brought together Thomians from across the country to compete in a series of team-based challenges designed to test leadership, teamwork, problem-solving abilities, physical endurance, and strategic thinking.

The competition required participants to navigate multiple checkpoints, decipher clues, and complete a variety of physical and mental tasks while racing against other teams. Beyond the competitive element, the event provided a unique platform for fellowship and interaction among members of the wider Thomian fraternity.

The participation of the STCB OBA further strengthened its engagement with brother schools and reinforced the spirit of unity that exists across the Thomian network. Events such as The Amazing Race create opportunities for alumni from different Thomian institutions to build relationships, share experiences, and foster a stronger sense of belonging within the broader Thomian community.

The event also showcased the importance of teamwork, resilience, and leadership—values that continue to define the Thomian tradition and contribute to the development of future leaders.

- **Thomian Saddlebreds 2026 Re-Launch and Media Briefing & Royal-Thomian Big Match 2026**

The STCB OBA strengthened its engagement with the Thomian fraternity through its participation in the Thomian Saddlebreds 2026 Initiative, organised by the S. Thomas' College, Mount Lavinia Old Boys' Association. The official re-launch and media briefing event marked the unveiling of significant enhancements planned for the Thomian Saddlebreds Tent at the Royal-Thomian Big Match 2026, bringing together key stakeholders representing the broader Thomian community.

A significant milestone for STCB OBA was being recognised as a Branch School Partner of the Thomian Saddlebreds Tent initiative. This marked the first occasion where S. Thomas' College, Bandarawela was officially represented as part of the Thomian Saddlebreds Tent at the Royal-Thomian Big Match, further strengthening the connection between the branch schools and the wider Thomian network.

In addition to the official partnership, STCB OBA members actively participated at the Royal-Thomian Big Match 2026, representing the College with pride and reinforcing the Association's commitment to maintaining strong relationships with brother schools and the wider Thomian community.

- **Reception for the Newly Appointed Warden and Sub Warden of S. Thomas' College, Mount Lavinia**

Representatives of the STCB OBA participated in the Reception hosted by the S. Thomas' College, Mount Lavinia Old Boys' Association on 23 January 2026 at the Mount Lavinia Hotel to honour the newly appointed Warden and Sub-Warden of S. Thomas' College, Mount Lavinia.

The event brought together a distinguished gathering of alumni representing various batches, branch schools, Executive Committee members, and former Wardens of the College. The reception served as an important occasion to formally welcome the new leadership while reaffirming the collective commitment of the Thomian fraternity towards the continued growth and success of the College.

The participation of the STCB OBA reflected the strong and enduring relationship shared among the Thomian branch schools and the wider alumni network. It also provided an opportunity for engagement with key stakeholders, fostering collaboration and strengthening ties within the broader Thomian community.

- **Participation at the S. Thomas' Preparatory School OBU AGM Headmaster's Lunch**

The STCB OBA was represented at the Headmaster's Lunch held following the Annual General Meeting of the Old Boys' Union of S. Thomas' Preparatory School on 23 May 2026 at the Preparatory School premises.

This provided an opportunity to interact with the leadership of S. Thomas' Preparatory School, officials of the Old Boys' Union, and representatives of fellow Thomian alumni associations. The gathering fostered meaningful dialogue on matters relating to school development, alumni engagement, and opportunities to strengthen collaboration among institutions within the wider Thomian fraternity.

Participation in the event further reinforced the strong relationship between STCB OBA and its brother schools, while promoting greater cooperation and exchange of ideas among alumni leaders. Such engagements continue to play an important role in building lasting partnerships and advancing initiatives that benefit the broader Thomian community.

AUDITED FINANCIAL REPORT 2025/2026

INDEPENDENT AUDITOR'S REPORT**TO THE MEMBERS OF S.THOMAS'COLLEGE BANDARAWELA OLD BOYS'ASSOCIATION****Report on the Audit of the Financial Statements****Opinion**

We have audited the financial statements of **S.Thomas'college Bandarawela Old Boys'association** which comprise the statement of financial position as at March 31, 2026, and the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements give a true and fair view of the financial position of the Association as at March 31, 2026, and of its financial performance and its cash flows for the year then ended in accordance with Sri Lanka Accounting Standards.

Basis for Opinion

We conducted our audit in accordance with Sri Lanka Auditing Standards (SLAuSs). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Association in accordance with the Code of Ethics issued by CA Sri Lanka (Code of Ethics) and we have fulfilled our other ethical responsibilities in accordance with the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other Information

Management is responsible for the other information. The other information comprises the information included in the annual report, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with Sri Lanka Accounting Standards, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Association or to cease operations, or has no realistic alternative but to do so.

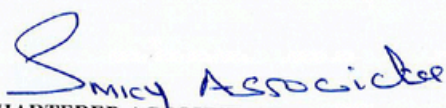

Those charged with governance are responsible for overseeing the Association's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SLAuSs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of the auditor's responsibilities for the audit of the financial statements is located at Sri Lanka Accounting and Auditing Standards website at: <http://slaasc.com/auditing/auditorsresponsibility.php>. This description forms part of our auditor's report.

02. SIGNIFICANT ACCOUNTING POLICIES

2.1 Basis of the Measurement

The financial statements have been prepared on historical cost basis except where appropriate disclosures are made with regard to fair value under relevant notes. Assets and liabilities are grouped by nature and in an order that reflect their relative liquidity.

2.2 Liabilities & Provisions

Liabilities are recognized in the statements of financial position when there is a present obligation arising from a past event, the settlement of which is expected to result in an outflow of resources embodying economic benefits. Obligations payable at the demand of the creditor or within one year of the statement of financial position date are treated as current liabilities in the statement of financial position. Liabilities payable after one year from the statement of financial position date are treated as non-current liabilities in the statement of financial position.

A provision is recognized in the statement of financial position when the related project has a legal or constructive obligation as a result of a past event and it is probable that an outflow of economic benefits for which a reliable estimate could be made is required to settle the obligation.

*Thomians young, and Thomians old
Thomians staunch and true!
Rally round the college flag,
The Blue, the Black and Blue
To your Alma Mater sing,
Thomians near and far
Loudly let the echoes ring,
For all we have and are,
Esto Perpetua
Esto Perpetua
Esto Perpetua
The Blue, Black and Blue for ever*
